

FOREST GROWING AND MANAGEMENT BROCHURE

FWP20116 Certificate II in Forest Growing and Management

Course Content

This qualification has seven employment pathways for typical operational environments of forest growing and management. These are:

Arboriculture Worker
Farm Forestry Worker Forestry Worker
Nursery Worker Silviculturalist
Plantation Establishment Worker
Plantation Forest Officer

Course Outline

Training for this course is completed as a Qualification Certificate II in Forest Growing and Management FWP20116. A training plan is prepared for each individual in conjunction with the business management to choose suitable elective units

Training is delivered using a combination of study material for self-directed learning and worksite training utilising site supervisor's skills and experience to assist with the program between LVTAC trainer visits. The Qualification is delivered over a period of 6-12 months.

Applicants that are eligible for funding:

Victorian State Government funding under the Skills First Program is used to fund the course for eligible applicants. Full Qualifications that are funded are free of charge so there is no cost. You can check your eligibility on this website

Applicants that are **not** eligible for funding

Training is \$100.00 per hour GST Exempt (a minimum of 3 hour blocks)

Assessment \$300 per unit GST Exempt

Travelling cost dependant on distance will be charged if outside of Latrobe Valley Region

Entry requirements

Students are required to:

- have access to the machinery and equipment identified in the training plan
- have the ability to attend all of the scheduled training
- be a minimum of 18 years of age
- provide their own steel toe capped boots and PPE.
- have the ability to move around uneven terrain

Training site

This Qualification is only available to personnel employed in the forestry sector. Training and assessment must be undertaken in a forestry coupe

Trainers Assessors

The trainer and assessor allocated to undertake your accreditations are accredited to operate forest growing and management equipment and have worked in the industry so you can be assured that you will learn from highly qualified and experienced personnel

Assessment Process

Assessments consist of a set of theory questions and demonstration of set tasks operating the plant and equipment within the workplace for each elective unit

Recognition of prior learning (RPL if you already have prior worksite training or experience)

Process: You will be required to complete an RPL application form
All RPL applications require a skills demonstration to confirm competency
Duration- 3 Hours per unit
Cost \$300.00 per unit GST Exempt - plus a travelling cost may be applicable depending on the coupe location

Support

You will be required to undertake a Language Literacy and Numeracy Assessment at enrolment. Support will be provided by our trainers and assessors if required, to assist you to achieve your goal
